

recCenters of Lancaster County Corporate Membership Promotion

What is it?

The recCenters of Lancaster County Corporate Membership Program is a partnership with businesses across Lancaster County to answer the call for a comprehensive, cost-effective employee wellness program.

Who can use it?

The program is designed to help your employees and their families to be healthier and more fit at our low corporate rates.

How does it work?

When your company enlists in the program, we invite your employees to join a recCenter of their choice at a 10% discount off their membership rate with no initiation or joiner fee. Your employees are also entitled to a free visit to try it out before they join.

What does the program cost my company?

Nothing. We do all the work at no cost to your company.

How does my company get started?
